ENGLANDER STATEMENT ON RESUMING INJECTIONS AT ALISO CANYON

LOS ANGELES— Today Councilmember Mitchell Englander released the following statement regarding SoCal Gas’ announcement that they will be resuming injections at the Aliso Canyon Facility.

“Although SoCal Gas may have complied with SB380, I would encourage them to withhold injections until all wells have completed phase two testing,” said Councilmember Mitchell Englander. “In order to regain trust, they must go above and beyond to ensure that this community is safe.”
